Letter from the Chairman:

Hi everyone! My name is Jasper Langdon and I am honored to be the current chairman of the Wethersfield Teen Theater Company. I have been helping WTTC productions for 14 years and this will be my 4th year on the board. I am looking forward to be doing Mean Girls this year. I expect the show to be a fun-filled learning experience. If you ever have any questions or concerns you can always reach out to me and I will be here to help. I am excited to be working with everyone and I can't wait to see how the show turns out!

Letter from the Directors:

Olivia Dizes (Director):

Hello! My name is Olivia Dizes and I will be your director this summer! This year, WTTC is doing Mean Girls, a musical I'm sure most of you know very well. Funnily enough, I am currently the assistant director for a production of Mean Girls at my school, so I am also *very* familiar with this show. Having experience at another theater company makes me even more grateful for the crew we have here - you all are more talented than you realize! I can't wait to see where this production takes us and I have no doubt we will put on a spectacular show together. This is my second time directing for Teen Theater, as I directed The Sound of Music last summer! Outside of Wethersfield, I have also assistant directed two shows, directed another, and am nearly done writing a musical of my own. I also have a background in performing, both in theater and in orchestras, as well as directing various other projects. I am currently a senior at Emmanuel College in Boston, studying English, History, and Film. My time is almost up at school, but I'm excited to spend another summer with you. Whether you are a new member of Wethersfield Teen Theater or a veteran member, I am very grateful to have each and every one of you in this process. I hope you can find the same family in your cast members that I (and so many others) have found and I can't wait to work on this wonderful show with you!

Lily Gebhardt (Choreographer):
Hi everyone! My name is Lily Gebhardt and I am thrilled to be your choreographer this summer! I am an upcoming junior at the University of New England where I am the Vice President of the drama club. I have been involved with WTTC since 2019, and heavily involved with the WHS drama club. I danced for 10 years, I now continue in college. I am very excited to be working with everyone, and help put on another amazing show!

- **Karen:** Sexy

- **Kevin G:** Whose House Is This?
- **Ms. Norbury/Mrs. Heron/Mrs. George:** What's Wrong With Me Reprise

Character Breakdowns (in order of appearance):

Janis Sarkisian - an "art freak" and social outcast, Janis is not afraid to be weird or make others uncomfortable. She paints herself as an objective observer, but, like so many of us, she longs to avenge the devastating events of eighth grade.

Damian Hubbard - an outgoing, active member of the Student Activities Committee, Damian is a fiercely loyal friend to Janis and they have the close rapport of a comedy team.

Cady Heron - a new junior at North Shore High School, Cady grew up in Africa and was home-schooled by her wildlife biologist mother. She is warm, bright, and strong enough to take on the Plastics. The emotional heart of our story.

Ms. Heron - Cady's intellectual mom, who can't understand why her daughter is devolving before her eyes.

Mr. Duvall - the principal of North Shore High, Mr. Duvall may have once taught computers at Joliet Penitentiary, but nothing prepared him for the harsh realities of out-of-control junior girls.

Ms. Norbury - Cady's world-weary calculus teacher, who pushes Cady to be her smartest self.

Kevin G - the extremely driven captain of the North Shore Mathletes. He is a confident student and a decent rapper.

Aaron Samuels - a cute boy with a good moral compass and a backbone. He's not immune to all the female attention he gets, but he's not going to let himself be a pawn in their chess game either.

Regina George - the Queen Bee of the Plastics. When she shines her light on you, you feel like the most important person in the world. When that light goes cold, you want to die. She is regal, still, and "hot", but at her most vulnerable moments, she is just a kid in over her head.

Gretchen Wieners - one of the Plastics. Desperate to please Regina and to maintain her positions in the Plastics, Gretchen is a nervous wreck. She is a "banker," meaning she befriends people to "bank" their secrets so she can trade them later for her own benefit. Her fragility at times is heartbreaking.

Karen Smith - one of the Plastics. Although her intellect and personality never had a chance to develop, Karen is essentially kind, relaxed, and a generous laughter.

Mrs. George - Regina's "cool mom," desperate to look young and feel like one of the teens. She's also desperate for Regina not to repeat her mistakes.

Featured Ensemble: Mr. Buck, Dawn Schweitzer, French Teacher, Coach Carr, Glenn Cocco, Sonja Aquino, Band Geeks, Debate Team, Dance Team, Jason Weems, Caitlyn Caussin, Rachel Hamilton, Sophie, Lizzie Therman, Kyle, Kyle's Friends, Lion, Stage Manager Kid, Teary Girl, Tyler Kimble, Mathletes (including Marwan Jitla), Mathletes Moderator, Marymount 1-2, Caroline Krafft, Shane Oman
